## **Job Description**

---

### **Child Protection Consultant – Website Development and Maintenance**

Are you a skilled Child Protection Consultant with experience of delivering high impact evidence-based policy advice in relation to child protection systems strengthening and wider social welfare/ social protection reform processes? Do you have the ability to expand CCP's work and reputation in this area? If so we are seeking a consummate professional to join our Child Protection Research Consultation Services in our Jaipur based office.

The main responsibilities of the Consultant will include but will not be limited to:

- To redesign, develop and host website on behalf of Centre for Child Protection.
- Prepare the web layout for conducting the Online Diploma in Child Protection.
- Develop outreach of the Centre in online and social media and ensure wider publicity of the courses offered by the Centre.
- Support the Centre in technical matters relating to online content of courses offered by the Centre.

**Successful candidate for this position should clearly demonstrate the following skills and experience:**

- B. Tech (I.T.)/MCA with at least 3 years of experience in developing academic programs related web-layout and website management for government, INGO's or UN Institutions.

### **Overall Requirements for Consultant**

- Proven technical skills and achievements relevant to online course lay-out development, website management and social media management.
- Established professional reputation with a range of prominent and active donors/clients working in child protection/social protection (ideally including UNICEF and USAID).

- Ability in and experience of team leadership and project management is desirable.
- Ability to communicate effectively in at least one other relevant local language other than English will be an asset although not essential.

Please save all documents that you are submitting with your name, the document type and the role as the file name e.g. Name Surname-CV- Child Protection Consultant.

**DURATION:** The role is a full-time, consulting position for duration of three months and the duty station is Jaipur. CCP offers a competitive honorarium which will be approximately Rs. 2 Lakhs for the entire duration of the assignment. Final remuneration will depend on the education and experience of the candidate. If selected, outstation candidates will be provided the option of skype interview.
